Paloma House Song
(to the tune of "I am a Promise")
written by Sarah Hamilton, 1998

We are Paloma, and we stand for peace
We are Paloma, oh yeah, with a capital P!
We are a great big bundle of, huh! Originality!
Yeah, yeah, yeah, yeah!
And we all listen to each other's voice,
And we are all here, oh yeah, to give you love and support.
We all are sisters you see,
Te doves in blue and green stand for peace!

Once upon a time, there were some sexy, kinky Paloma

they galloped all night. One day, they decided to go

Misha twirled this kind of experience. To help her out, the
verb-ed

girls humped her, and she felt giddy. They ate scrotums,

about squirrels and how they wanted to underpants. These

Palomians were ferocious! When they were done, they went

back home and farted. They finally figured out that Paloma

stands for shampoo, and they all lived slowly ever after!

I love you girls so much!

Dear Palomians,

I cannot tell you how much the hall has changed since my freshman year. It gets better all the time. I know I haven't been around much, but I want you to know how much you all mean to me.

Love,
Erin
Michelle
Church ☮

Looking back over my last four years at Graceland I am reminded of many things. I am reminded of the tremendous growth and maturity I have endured, the trials and tribulations I have gone through, and the love and support I have received from friends. Looking back, I realize how much I cherish every moment; even those less pleasurable, because my experiences have made me who I am today.

In one way, my life as I know it is going to drastically change. I am trading my small house in Lamoni, for a bigger house in Australia near the ocean, my classes and hours of homework for working with youth in the Community of Christ Church, and late nights with giggly girls to a lifetime of love and companionship with my soul mate. No matter how much my life changes, I will never trade my memories from Graceland or the friendships I have in all of you.

Thank you for your constant love and support. I appreciate the impact each of you have made on my life. Thank you for the fun and crazy times. You girls always make me smile and give me a reason to laugh. Thank you for kick-butt IM teams. In my heart, I know we are champions!

Someday you will be where I am at... the final days of your senior year. Until then, Steal food from the Commons, Play IMs like you're the champion, Sing in the shower, Live each day like it's your last, Love like you've never been hurt, Seek and you will find, and Truly have the time of your life! I know I did.

With Love,
Erin Marie Reyes

Last Will & Testament

I leave to Sarah my computer because it has less plugs than hers. ~ **Samantha**

I leave my pony to Sarah so Ned (koala) has a friend, Emily my socks, Misha my toothbrush (gross!), Shara my feather boa, and everyone can get my shoes (tear!), and Lauren my dance skills (she needs all the help she can get!), and Jen gets all my country CDs. ~ **Chicken**

I will my snoring to my roommate who puts up with me and to the wonderful people next door who hear it through the hole in the wall. I will my coolness to Chicken and Sarah because they need a little more; I love you girls! I will some of my boy-craziness to anyone who wants it; I don't need it at all. I will my dance moves to Sarah because I know she is jealous and wants them. ~ **Lauren Wilson**

I, **Alison Angell**, of sound mind and body do will my top bunk to Sabine, my car keys to Meryl, and my so called "big breasts" to Shara.

I leave all of my cleaning supplies as well as my beloved vacuum to Sabine and Ali to encourage cleanliness and organization. ~ **Meryl Smith**

I, **Misha**, of sound mind and hot, luscious body, leave my Orlando Bloom poster to kAshley (we had a fight, and I broke).

I, **Rachel Goodson**, will my incredibly good looks to Hannah even though she doesn't need anymore; my patented closet crouching position to Amy Moran; my couch to Emily; my pink tights to kAshley; my patience to Jen (she'll need it next year when we room together!); and my fiancé to Chicken because they would look so funny together!

I will my closet to Ali Angell anytime she needs to hide someone. ~ **Andrea Stuck**

I leave my laundry basket to Pammee Gee. ~ **kAshley**

I leave my height to Lauren so she can actually reach things, and I leave my strength to Chicken so the next time she flexes people run away instead of laughing. ~ **Sarah Wouters**

I leave my mess to my roommate, Amie. I leave my movies to Alex. I will my clothes to whoever wants them. I leave my appliances and TV to Lindsay. I will my unborn child to Sarah and Chicken. ~ **Katie**

I will my ability to wear mismatched socks to Chicken; my floss to Misha; my history books to Ali; my ability to pull an all nighter and get to class (without drooling too much) to Pam; to Jen, my "electric rooster" (you know you still want it); and finally, I will my ability to set fashion trends to Shara—Converse and cords, did I or did I not call that one? Ha! ~ **Emily Gray**

I will my amazing position as COSA rep to Andrea; have fun, it'll be a blast! I will my roommate to anybody who will take her… anyone? J/K I will all my gay porn to Lindsay (only on Friday nights)! I will my amazing tennis skills to **Erin Reyes.**

Thank You...

Thank you, kAshley, for all the surprises under my mattress. Thank you, Sabine, for all the late-night BSB performances. Thank you, Ali, for EVERYTHING you've left in my room! And thank you to my 2 Iowa City girls for being there for me through everything. ~ **Pam Gerteisen**

Thank you, House Council, for being so easy and workable. Oh, yeah! (kidding) Thanks, Freshmen, for making Paloma even better. Thanks, Sabine, for the advice and the "study breaks" late night in the lounge (dancing to Spanish music) . Thanks, kAshley for being modnar and helping me with my geometry. You're such a cute triangle. Thanks, Misha, for listening to me babble. Thanks, Rachel, for letting me study in your room all those late nights. Thanks for the randomness, the lose, and the support. I feel honored to be on your hall. I love you all. (he, he, that rhymed!) Peace and Love, **Emily Jane**

Thanks to my roommate for being an awesome roommate. Thanks to Lindsay for being a great friend. Thanks to all the girls for doing stuff randomly on the hall. ~ **Katie Say**

Thank you to Chicken and Lauren for being amazing friends and for always making me laugh, and thanks to Rachel and the house council for being so fun for all us freshmen, and thanks to everyone else because I love you all mucho!! ~ **Sarah Wouters**

Thank you, Squirrel Outside My Window, for being my friend! ~ **kAshley Steevensz**

Thank you to my amazing roommate and best friend, Sabine, for all the late night talks and hugs. To all other wonderful Paloma ladies—you guys are the best. I love you. ~ **Ali**

Thanks to the whole hall, especially House Council, for making this such a great year. ~ **Meryl Smith**

Thank you to all the girls who put up with my natural gas and were still willing to hang out with me…
~ **Andrea Stuck**

Thank you, girls, for being there to laugh at me when I did something stupid, wipe my tears, listen to my whining, help me with my homework, listen to my boy-crazed stories, and for just being the sisters God didn't give me. I love you all and don't know what I'd do without you. You all are amazing. ~ **Lauren Wilson**

Thanks a bunch to Sarah for being my bestest friend here. Thanks to Jen for allowing me to move up from "hell" and putting up with me. Lauren for listening to my boy troubles. Shara for having good snacks in her room and being a "nice kid." Oh, and kAshley for her daily randomness. ~ **Chicken**

Thank you, Sarah, for being such a great roommate. ~ **Samantha Bigger**

Thanks, Jen and kAshley for watching "Extreme Makeover: Home Edition" and "Super Nanny" with me every week. Thanks, House Council, for being amazing, for never complaining, and for creating the greatest year ever! Thanks to all of those people that participated, and for those who didn't, thanks for giving me someone to miss. I love each of you! ~ **Rachel**
